

# HOW TO: Check a Students AR %

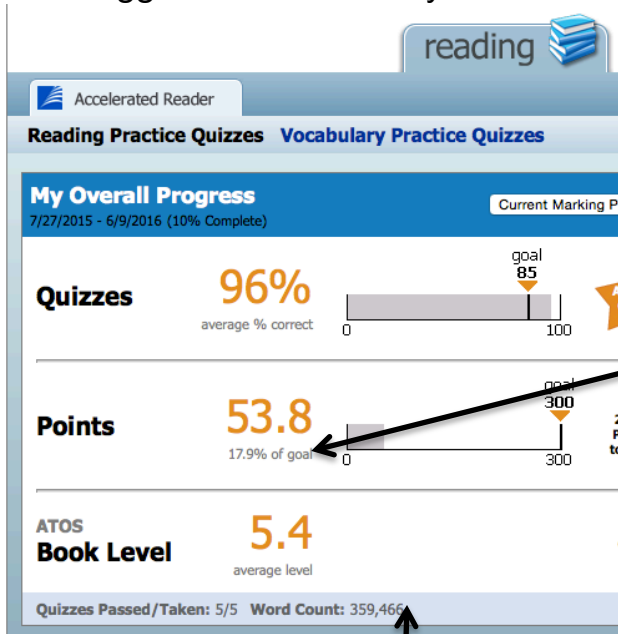

1. <http://wtjackson.org/for-students/>

2. Click on the AR Home Connect Icon.

3. Students will use their AR user name and password to sign in

4. Once logged in this is what your students will see.

Look at the middle line that is titled Points. You will see a small gray % under the orange number. The gray number shows the % of the student's yearly AR goal that has been met.

We want this number to be close to 25% around Oct. 7<sup>th</sup>

This also shows how many words a student has read. When they reach 1,000,000 words they can come get their photo taken for the Million "AR" bulletin board.

5. Once you've reached 25% of your AR goal, come to the library to get your sea turtle to hang on the library window.

## **AR GOALS FOR THE YEAR:**

Oct. 7<sup>th</sup>..... 25% of AR yearly goal  
Dec. 18<sup>th</sup> .....50% of AR yearly goal  
March 17<sup>th</sup> ....75% of AR Yearly goal  
May 20<sup>th</sup> .....100% of AR Yearly goal
